Dear Marjorie,

On behalf of the Huntsville Public Library Board and staff, Amber McNair and I would like to thank you and the amazing Muskoka Community Network team for their support of the children in the community through the Library.

In October we were thrilled to host the Youth Tech Extravaganza that saw almost 300 people come to the Library in a two hour period to connect, create, and collaborate with technology – all the while having fun. The Muskoka Community Network Team and volunteers worked with Library staff and created a partnership that continued this March Break with Wild About Technology – another popular and fun event.

Please send our heartfelt thanks for the support of the Muskoka Community Network Team. It is with your support the Library fulfills its mandate to be a community led library.

Sincerely,
